**Subject:** Thank you  
Johnnie

You left before I was able to personally thank you for your magnificent contribution as trainer / instructor during the past months.

In particular I wish to applaud you for your devotion, commitment and professionalism during the last weeks when you undertook the responsibility for ensuring that the entire incumbent guard force was re-qualified on three different weapon systems under difficult circumstances and with tight time constraints. Without your leadership and dedication this mammoth task would not have been completed.

I wish you all the best for the future.

Stay in touch
